EndoPure Purest Polyethylene

General Specifications

EndoPure is the ONLY High Density Polyethylene Pipe specially engineered for the water industry. On the outside it's blue, color coded for the coming industry standard; on the inside it's completely natural; overall it's the purest polyethylene, so it's: Lead Free, Chlorine Free and Solvent Free.

ENDOT INDUSTRIES backs EndoPure with a certificate of purity in addition to a lifetime Warranty, including the most liberal cost of replacement provisions. See Warranty for details.

ENDOT's EndoPure meets the specifications of NSF-14 & 61, AWWA C901 plus the following standards:
